

# Secrets of Super Achievers: How To Accomplish More in Less Time with Fewer Resources and Get Better Results

## Introduction of Dr. Paul Schempp

[PLEASE READ SLOWLY]

In case you haven't gotten the memo, life is not always fair. There are times when the expectations far outweigh the assets available to meet the demands. Yet, your success is directly dependent on your ability to get it done—regardless of the circumstances. Because excuses impress no one.

So when time is short and the deadline near, how do you get it done?

When expectations are high and the resources low, how do you not only meet—but exceed—those expectations?

What can you do to achieve beyond the ordinary and achieve the extraordinary? These questions will be answered today. Our speaker is an expert on expert performance.

As a University of Georgia research professor, he studies the habits and characteristics who consistently outperform the rest. As a consultant, he helps organizations turn people with potential into outstanding achievers.
